CONFESSION OF A DUDE.

They are not Dudes themselves. Ah, there The trouble is. We Dudes are born; We sti; the envy of the throng,
To which, thank heav'n, we don't belong. Not of the valuar multitude Are we. Who would not be a Dude?

I wonder what there is in me.

That makes folks smile as I go by.
My sir is good, my clothes fit well:
They cannot think I am a guy.
And yet they smile. How very ruce!
I may have faults, but I'm a Dude.

It is my comfort and my pride To know that what I am I rm.

And what we are—what are we Anyhow? By Jove, I'd have to cram To learn; and learning's not my mood, Who tearns can mover but B Dude.

I know I have no brains—
They must be very hard to get—
And brains would never, never take
In our select, erclissive set.
We care for better things, immued
With all that glorides the Dude.

The german I can lead; I bang My hair; I wear my trousers tight; I dote on Chambertin; I hate To read or think; I pass the night At clubs; in short, I love the night Though art is not the dudest Dute.

To be a Dude is my whole aim.

A Dude is chic, is nobby, swell,
To feel that Life's a dreadful bore

The swellest thing, from our point view'd, Is to recede from Man to Dude.
JUNIOS HENRI BROWN.

He makes the best Freedent he can, and leaves Chandler and Bisine to the nitirelative to the nature of the wounds. The mate fate of all wire-work-rs-always to fall short of success. The President liked The case for the defense then opened. The photographs recognized by Carey as old Howe-he was an honest old soul-and be likes Hatton, who is young, aggressive, and means to go it on a lone hand in all his ambitions. Hatton declines to dicker with Mr. Chandler, and does not propose to take such a Jonah on board as Mr. Biaine. It ment of the 47,000 postmasters designated by the Postmaster-General and his first as-

At 6 o'clock p.m. the court adjourned. It expected that a verdict will be rendered early to-morrow.

ENGLAND. WEEKLY BANK STATEMENT. LONDON, April 12 .- The weekly statement the Bank of E gland shows a decrease of £412 000 bullion. Proportion of the bank reserve to liab lities, 36 15 16 per cent.

THE DYNAMITE FIENDS. Norman, Gallagher, Dalton, Wilson, Cur-tin and Ansburgh were taken to the Bow street Police Court this morning in the prison van, driven at a rapid pace and accompanied by a guard of armed police and mounted constables. A large crowd fol-lowed the prisoners to the courtbouse. The whole route was lined with policemen. Every precaution to prevent a rescue was taken. The prisoners appeared perfectly The pri-oners were arraigned before Judge

Ingham. Smyth, Gould and Gurney ap-Poland, opening for the prosecution, de-clared there was no doubt, in view of the evidence obtained by the authorities, that a conspiracy was in existence in America, the purpose of which was the destruction of Norrolk, Va., April 13 - The steamer Merida, from Vera Couz to New York, with public buildings in this country; that the actor invoked by the conspirators was dynathis court came from the United States for the purpose of putting their diabolical schemes into operation; that they had furnished the means and men to establish the recently discovered dynamite manufactory in Birmingham, and that Gallagher, Wilson and Norman visited the manufacturer Whitehead at his place in Birmingham with the purpose of sending to London a supply of explosives. In this connection dates were an important link in the chain of evidence. Norman, on Mrs. J. Berry, of Portland, Me, writes:
"Your Henry's Carbolic Salve is doing a great
deal of good. Some of my friends have been
greatly benefited by its use. I think it is the
best salve I have ever used." Beware of counthe 22d of March, went to Euston Square to live. He remained fourteen days; then, on April 2d, went to Birmingham, saying he was going to get his loggage. He did not return at the appointed time. His plan was, A Fearful Scene.

CLEVELAND, O, April 12.—Johan Seiter, ham, and it was decided he should take a found him reloading, and tried to get the return to his quarters in Euston Square. He pistol from him. He drove her off by threat-did come back, and at Euston Square a man ening to shoot her, and then fired a second took the box brought by Norman, containeparaments, in the determination of which built into his head, scattering the blood and ing some bags of nitro-glycerine, and left brains over his wife, who had swooned with them at the place in Southampton street,
